PHILLY STRENGTHENS LEAD IN PENNANT RACE

(By Associated Press.) CHICAGO, Sept. 8.—Winning two games from Boston, Philadelphia strengthened its lead on first place in the race for the National league pennant. Brooklyn, despite a defeat at the hands of New York, retained second place. The standing of the leaders:

Club	W.	L.	Pct.
Philadelphia	75	49	.605
Brooklyn	74	51	.592
Boston	71	51	.582

Boston and Chicago hopes were raised by victories, while Detroit lost to St. Louis in the American league. The Browns' win while the Yankees got no better than an even split from Washington gave them fourth place once more. Standing of the leaders:

Club	W.	L.	Pct.
Boston	76	55	.580
Detroit	75	58	.564
Chicago	74	58	.561
St. Louis	70	63	.526

WILSON TOADIES TO THE GERMANS

(Continued from Page 1) Gardner of Massachusetts enlivened the House with bitter denunciation of the retaliatory provision against foreign interference with American commerce. Mr. Gardner charged Congress with hypocrisy and his criticisms of the administration aroused the ire of some of the Democrats, two of whom made speeches in reply. Representative Bonnet, of New York, Republican, said he disagreed with both Gardner and Decker, but that there were questions of national honor that rose above partisanship. "You claim to be devoted to humanity and to despise commercialism," said Mr. Gardner. "Why don't you pass an amendment refusing American harbors to German's interned ships until she repudiates the Lusitania crime? These retaliatory amendments would be looked upon all over the world as a blow in support of German's ugly cause. What has Congress done? Your only protests have been aimed at the allies, who are fighting our fight and the fight of civilization."

The revenue provisions of the bill include a normal income tax of two per cent with increased surtaxes, and inheritance tax, a tax of 12 1/2 per cent on net profits of munitions manufacturers, a license tax of 50 cents of each \$1000 stock of corporations capitalized in excess of \$89,000, wine, beer and liquor taxes; brokers' taxes, and a re-enactment of the theater and amusement taxes of the existing war revenue. All stamp taxes in the present law are repealed and all that were included in this bill were eliminated in conference. These were regarded as "popularly obnoxious."

Members of the conference committee on the revenue bill pointed out an important change in the income tax section as finally approved extending exemption to \$4000 to \$3000 for "heads of families" whether married or single, replacing the provision of the old law giving exemption only to "married persons."

HIGH PRESSURE ALMOST COMPLETE

With the installation of a check valve by the water company on Water street, the high pressure system is now available in case of fire. The only thing to perfect this service is the arrival of a motor valve, which is expected to arrive within the next few days, to be placed in the pumping station on Bryan avenue, near the High school. When the power valve is installed the system will be under complete control from the fire house on Brougher avenue. As soon as an alarm is sounded, a switch connecting the motor valve with the high pressure tanks is thrown on and a pressure of 125 pounds is available in every main in the city, while the check valve on Water street prevents any "overload" back into the main fed by the Rye Patch pumps.

SIX EXCITING HEATS AND TWO NEW RECORDS AT CHARTER OAK

(By Associated Press.) HARTFORD, Conn., Sept. 8.—Two new world's records were made here when St. Frisco won the classic Charter Oak stake for 2:08 trotters after six of the most exciting heats of light harness racing ever witnessed at Charter Oak park. The second heat was declared a dead heat, the time, 2:07 1/4, displacing the world's record set in 1904 on the Pughton Beach track, New York, when Sweet Marie and Aristo raced a dead heat in 2:08 1/4. The other record established was the fastest six heat race, the average time for the six heats being 2:07 1/4 against 2:07 1/4 set at Lexington, Ky., in 1910, in a race won by Spanish Queen.

All three events were fairly fast and close, but the Charter Oak event furnished a thrill in every finish. Less than half a head separated St. Frisco and Mabel Trask at the close of each heat. Mabel Trask took the first in smooth style, but in the second they fought it out on even terms from the turn into the stretch to the wire and the judges could not separate them as they passed the stand.

(By Associated Press.) BOSTON, Sept. 8.—Philadelphia Nationals won both games from Boston, the first 4 to 2 and the second 2 to 0. In the first game Rixey allowed only one hit up to the seventh, when the home team scored their two runs on four singles and an error by Niehoff. Ragan was hit freely and Reulbach was sent in in the ninth. The second game was a pitchers' duel between Mayer and Hughes up to the sixth inning, when Barnes relieved Hughes, who was struck on the back of the right hand with a pitched ball. Philadelphia scored its two runs in the ninth on a single by Loderus after two were down and an error by Smith had filled the bases.

The two year old trot was captured by Emma McGowan in straight heats.

BLONDE ESKIMOS ARE FOUND AGAIN

(By Associated Press.) SASKATOON, Sept. 8.—The tribe of blonde Eskimos which Harry V. Bradford, the murdered explorer, reported he had found at Coronation Bluff, in the far arctic zone, were again visited by a white man. Rev. H. Girling announced in a letter that he had preached to the fair tribe, remaining with them some time. He asserts he was the first white man to dwell among them.

CAPTAIN ELECTED FOR BALL TEAM

The girls' basketball team of the Tonopah High school met last night and by unanimous vote elected Lavina Shields captain. The meeting was called by Gertrude Rippingham, captain of the team last year, with the following members present: Misses Fannie Holmes, Arlene Dalzell, Inez O'Connell, Helen Clendenen, Addie Murphy, Ella Perry, Lavina Shields and Helen Davis. Roy H. Cross will coach the team for 1916-17, entertaining high hopes of winning the state championship. At the present time there is enough material for three splendid teams. A meeting of the Girls' Athletic association will be called next week and all those desiring to play on the teams will be present.

AMUSEMENTS

A splendid feature with special music at the first show furnished by Julius Goldsmith will be the program at the Butler this evening. The picture is William Farnum, the \$100,000 screen star, in a Fox production entitled "The Man from the Bitter Roots." Love and adventure follow William Farnum through this film.

The story of the great northwest finds the famous actor in the role of a miner who has to struggle for life. The name of William Farnum is enough to guarantee an all day's crowd in any theater in the world. In "The Man from the Bitter Roots," the hero is a miner who battles against enormous odds to achieve happiness. His fight is practically for life or death, and is considered one of the best pictures in which Mr. Farnum has ever appeared. The Athletic Feature presents Frank Gotch in a wrestling match with Jim Essen, champion of Scotland, Willie Ritchie in a red hot boxing contest with Lew Steffens, swimming champions, both male and female, in water stunts, and several other notables. Tomorrow, Mabel Talliaferro in "The Snowbird," one of the best pictures ever shown anywhere; a Sidney Drew comedy, and a juvenile comedy for the kiddies, in which all the actors are children.

Our tire repairs are guaranteed to outwear the tire. Lundlee Bros.
